

# Notice of rent deposit

If the landlord fails to fulfill one of the obligations imposed on him by the law or the lease, the tenant may, among other things, request permission to deposit his rent at the Régie du logement.

Before asking for this authorization, the tenant must give a **ten days notice** to the landlord. The notice must indicate the reasons for the deposit.

**If the rent is deposited**, the landlord may apply to the Régie du logement to recover it.
